

Worthing Madrasah Syllabus.

It is extremely difficult to have a fixed age related syllabus for the Madrasah. This is due to children enrolling to our Madrasah at different ages and to the considerable differences in children's ability, progress and attendance,

However, we do follow a syllabus of books for the various Islamic subjects we teach. A child will progress based on his/her ability and effort.

**Arabic Reading**

- Ahsanul Qawaa'id
- Juz Amma
- Quran

**Memorising:**
